I20	iX Sports Activity Vehicle BEV	As of Nov. 2021

Model	Production Start*	Comments
i4 eDrive40	11/2021	Fully electric version of 4 Series Gran Coupe. Single motor, rear wheel drive; rated at 335 bhp and 317 lb. ft. torque.
i4 M50	11/2021	Fully electric version of 4 Series Gran Coupe. Two motors, xDrive; rated at 536 bhp and 586 lb. ft.
iX xDrive50	11/2021	All new body design. Two motors, xDrive, rated at 516 bhp and 564 lb. ft.

*Available approx. 3 months later

17-digit Vehicle Identification Number (VIN): The 10th digit (model year identifier) utilizes the letter "N" for MY 2022.

A reference guide for 2022 BMW Group models officially communicated through 2/2022 is included for your convenience. Refer to **Attachment 4**. The guide is also found in TIS per the path **Technical Documentation - Workshop Info - New Model Initial Information**.

SITUATION

See Attachment B00 02 22.PDF for complete bulletin.

CLAIM INFORMATION

Reimbursement of the BMW Pre-Delivery Inspection (Quality Certification 1) on 2022 BMWs is via submission of a warranty claim when the work is completed.

- If the Display and Delivery portions of the inspection are performed separately, individual claims should be submitted when those operations are performed.
- If the entire QC1 delivery inspection is performed at the same time, submit one claim for "Spot Delivery." This is an important difference from the prior process, and claims must not reflect Display and Delivery if only the Spot Delivery was actually performed.
- All BMWs are only eligible for either the Display and Delivery Inspection, or the Spot Delivery Inspection.
- If a BMW center performs the Display Inspection and the vehicle is traded, then the second center may only perform and claim the Delivery Inspection. Check the DCS Vehicle History Report to determine whether a claim for this work had been submitted by another center.
- If a center receives a vehicle, does nothing to it and then trades it to another center, then the second center may perform the Display and Delivery Inspection or the Spot Delivery Inspection, whichever is relevant. Check the DCS Vehicle History Report to determine if a claim for this work had been submitted by another center.

BMW Company Vehicles

Reimbursement for performing the QCI on BMW company vehicles of any model year for regional employees of BMW of North America, LLC must still be requested by submitting a claim through DCS. Use the Spot Delivery codes listed below:

Defect Code:	11999977BV
Labor Operation:	00 00 012

Flat Rate Units:	Refer to AIR
------------------	--------------

Refer to AIR for the corresponding flat rate unit (FRU) allowance. Enter the Chassis Number, which consists of the last 7 digits of the VIN. Click on the "Search" button, and then enter the applicable flat rate labor operation in the FR code field.

Note: BMW company vehicles delivered to field personnel may have already received a full QCI. This should be evident upon arrival at your center by the following:

- The absence of the usual protective seat and door panel covers
- Transport mode has been deactivated (radio is operational)
- The Monroney label not being affixed to the window, etc.

Please verify that the QC1 has already been performed at a VDC on a specific vehicle by contacting your regional Distribution Manager with the chassis number.

QC1 inspections are covered under the terms of the BMW New Vehicle Limited Warranty.

Defect Code:	11000077BV	QCI – Display Inspection
Labor Operation	Description	Labor Allowance
00 00 008	Display Inspection	Refer to AIR

Or:

Defect Code:	11999977BV	QCI – Spot Delivery Inspection
Labor Operation	Description	Labor Allowance
00 00 012	BMW QCI-Spot Delivery	Refer to AIR

***IMPORTANT:**

As with all work that is reimbursed by BMW, the repair order, time recording, and record keeping requirements outlined in the Warranty Policy and Procedures Manual must be strictly observed. Quality Certification I payments are subject to audit.

QUESTIONS REGARDING THIS BULLETIN

Technical inquiries	Submit feedback at the top of this bulletin
Warranty inquiries	Please contact the Warranty department by either using the Live Chat that's available in the Warranty Documentation Portal or through IDS by selecting Coverage, Policy, Coding Questions and Mileage Corrections
Parts inquiries	Submit an IDS ticket to the Parts Department
