INFORMATION

Effective June 1, 2015, selected items that were available on TIS Online Ordering will **only** be available in DCSnet. This process will enhance your BMW Group ordering experience, enabling you to order all your parts needs, including forms, labels, etc., through DCSnet.

Effective today, May 27, TIS Online Ordering is no longer available, as the inventory is being transferred to DCSnet.

If you need 2015 or 2016 QC 1 Checklists, please click on the attachments for a printable version.

The listing below includes the TIS item number, packaging, description, and the new DCSnet part number.
